Foreword

If we have made this volume of the LATIPAC a cherished record of our happy high school days, we will feel that we have accomplished the height of our purpose in editing it. If, when the days have lengthened into years, this book shall help to recall the pleasant days spent in Broughton High, our efforts will have been duly rewarded. As the years pass, our lives will be richer and fuller because of the experiences we have shared and the lessons we have learned here.

We have endeavored to present naturally and vividly some of the sunshine and the shadows of our last year at our Alma Mater. In hopes that we have done so, we present this the

Senior Class of 1948

We seniors this year have seen the accomplishment of many projects which have been developing throughout our five years at Broughton. We have seen installed the trophy case for which all of us worked steadfastly, commemorating our boys who gave their lives while fighting for our freedom. We have seen the growth within our school of fellowship among upper and lower classmen and also of better cooperation between our school and Hugh Morson. This has been the project of our senior class which we hope will be furthered even more by the seniors to come.

Along with our work we have also had play. All of us will remember planning together the senior dance the theme of which was very appropriately made a winter wonderland. Also we shall look back upon the joy derived from presenting our senior play "All Thru The Night." All in all this has been a most successful year which all of us will remember even though each of us will follow his individual path in life.

Junior Class

THE JUNIOR CLASS began the year with the election of class officers. David Robinson was elected president, Bob Caudle vice president, Dora Anne Cooper, secretary, Mary Woodward, treasurer, Billy Ammons, sergeant at arms. The class had an executive committee composed of the class officers and the presidents of the junior homerooms.

Several members of the class have achieved recognition in the field of sports. Dick Sommers, Charles Caldwell, Charles Lloyd, Billy Crocker, Ewart Easterling, and Billy Ammons were outstanding members on the football team. Active on the varsity basketball team were Mal Williamson, Dick Sommers, Pat Caviness and Bobby Goss.

The Junior Class was proud of its members who were elected to the National Honor Society. They were Dick Sommers, Virginia Mowery, Mary Scott Daniel, Nancy Hobbs, Jean Denny, and Catherine Bikle.

When the dramatics department produced 'And Came The Spring' Norwood Pope and Alan Gordon represented the Junior Class in the cast.

The junior marshals this year were Betty McAfee, Ewart Easterling, Dora Anne Cooper, and Bob Terry.

The big event of the year for the class was the annual Junior Senior formal dance. A Gypsy theme was used for the decorations, invitations and floor show. Music for the dance was furnished by Herb Gupton's orchestra.

The school year 1947-48 has been a year of outstanding success and accomplishment for the Junior Class. With our many leaders and honor students we feel that our senior year will surpass our junior year in work well done and will reflect credit to our school. Our efforts and achievements have been encouraged and inspired by Miss Lessie Cogdell, class adviser. Her untiring interest and guidance were largely responsible for the many successes achieved throughout our Junior year.

Student Council

Lima

*Left to right: John Nicholson, Pres.; Bob Yancey, Treasurer;
Mial Williamson, Sgt-at-Arms, Elizabeth Moran, Secretary. Dick
Sommers, Vice Pres.; and Mr. Eason, Adviser*

Student Council Officers

Each homeroom elects a Student Council representative at the beginning of the year. It is the duty of this representative to keep the homeroom well informed of the functions of the Council.

There were four delegates sent to the Central District Student Council Convention in Greensboro this year. A discussion was led by Jackie Jernigan on the topic, "School Spirit."

Three delegates were sent to the State Student Council Convention at Elizabeth City this year. At this meeting Dick Sommers was elected president of the Convention for the year 1948-1949.

SOCIAL: Dot Johnson, Chairman; Betty Shields, Bobby Wiggins, Ann Greene, Jeff Newton

During the previous school year this committee served as adviser for all school functions connected with the student body. Two fests entertained the new students and teachers at the beginning of the year. The school gymnasium was the scene of dancing after home football and basketball games. Home-coming weekend featured a parade, sponsors and a dance. The annual Student Leaders Banquet and a spring dance were sponsored by the Council. A social for Student Council members concluded the activities of the year.

POSTER: Chairman, Robin Scroggs

The purpose of the Poster Committee is to promote and publicize the activities of all the student council by making attractive posters to put on the various bulletin boards in the school.

STANDARDS: Chairman, Dick Sommers

The organizing of the Traffic Committee, of which this chairman is a permanent member was one of the more important jobs of this committee. Other jobs were the granting of club charters and keeping the Stars and Stripes flying over Broughton.

PUBLICITY: Chairman, Jackie Jernigan

The main job of the publicity committee is the writing of a weekly column in the local newspapers about school news. Pictures of school activities were placed in the newspaper. The committee is also in charge of selling school handbooks to all people.

LOST AND FOUND: Chairman, George Paulson

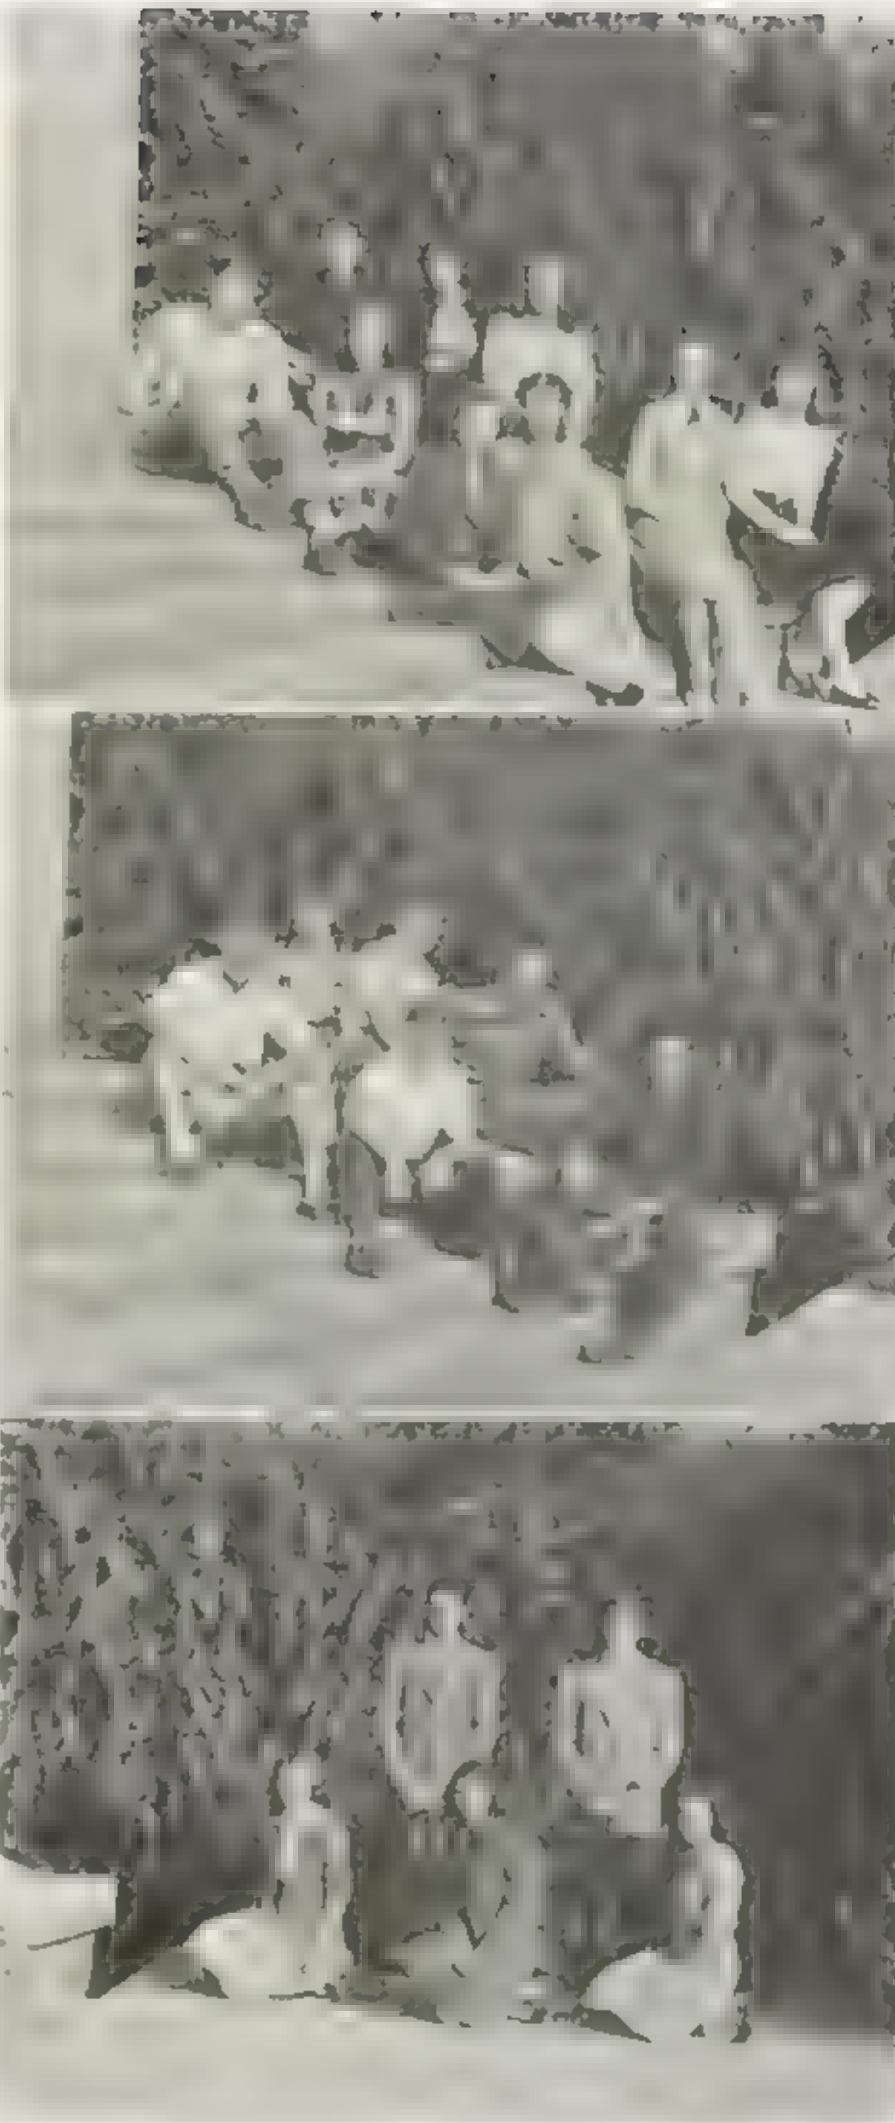

This year the Lost and Found Committee has moved from the ticket window to the school store so as to serve better the most students.

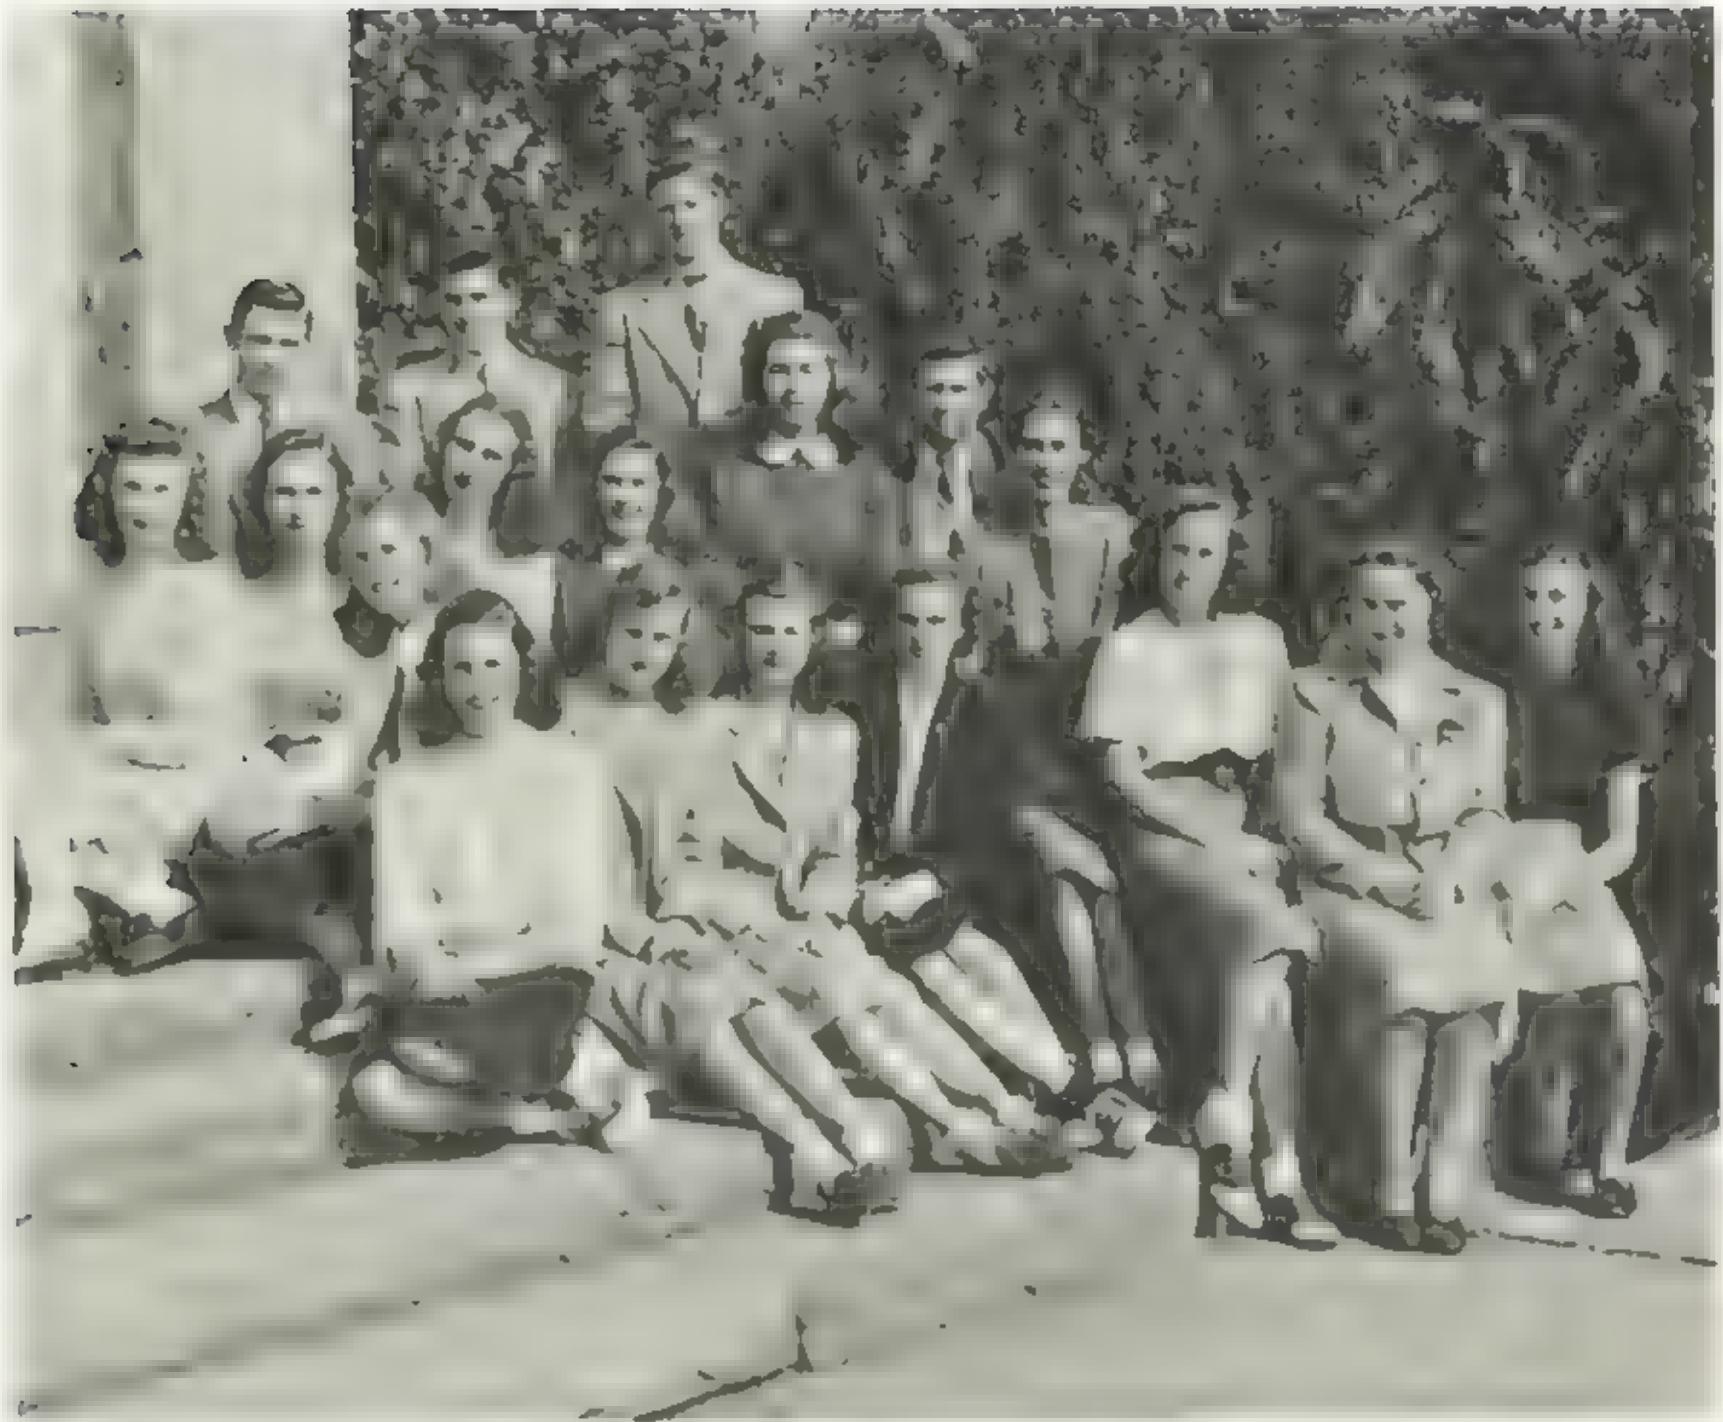

SPORTS: Co-Chairman Red Barham and Dora Ann Cooper

Under the guidance of this committee the first successful intramural program in a number of years was completed. During the football season this group also decorated the goal posts with crepe paper.

HOUSE AND GROUNDS: Chairman, Charles Gaddy

The members of this committee in cooperation with the Traffic Committee, sponsored by the House Committee, conducted a campaign to stress the traffic rules of the school in the halls and on the stairs. This committee was also instrumental in the final installation of the showcase.

National Honor Society

THE NATIONAL HONOR SOCIETY consists of the juniors and seniors who excel in the four standards of character, leadership, service and scholarship. The members are selected by the votes of a committee composed of faculty members and members of the Honor Society after the vote by the student body and faculty.

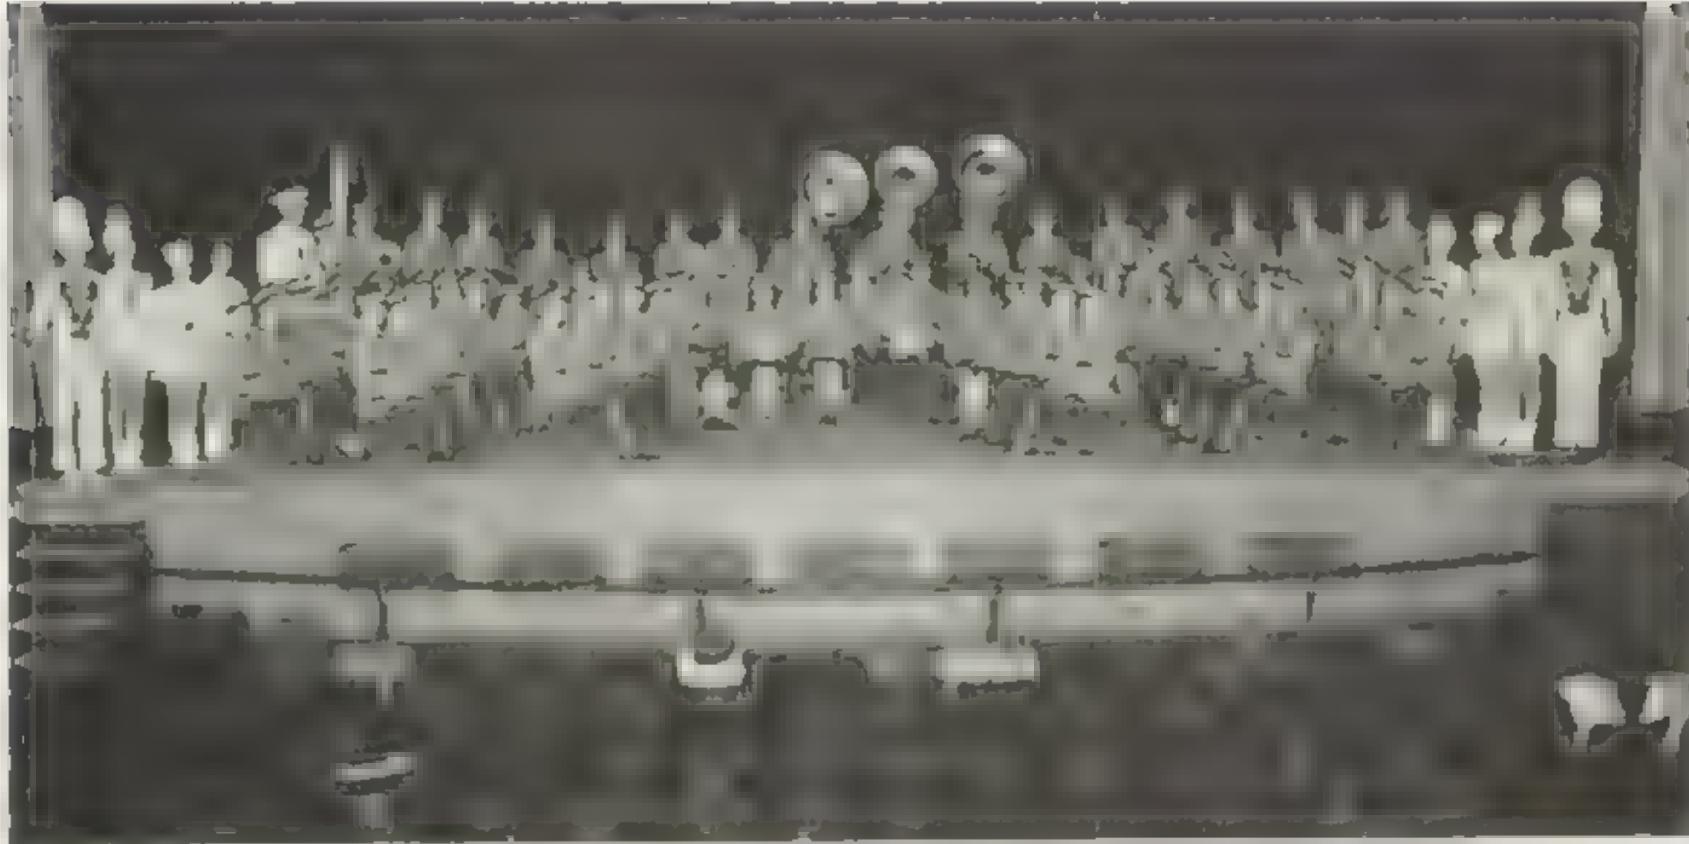

This year the Society had two main projects. The members took turns in helping before school as office assistants. When needed, they were available to take charge in the absence of a faculty member. Other activities were a tea for the eighth graders who had high scholastic averages and a contest among 9th and 10th grades homerooms in scholarship.

At the fall tapping ceremony 3 seniors and 6 juniors were taken in, spring term 3 seniors, and 4 juniors.

The officers for the fall term were Red Barham, president, Sue Coltrane vice president; Barbara Jobe, secretary; Barbara Daniel, treasurer.

The members are Charles Barham, Sue Coltrane, Nancy Fairley, Barbara Jobe, Gordon Middleton, Jane Phinney, Susan Pickens, Robin Scroggs, Mary Jo Shaw, Nell Sims, Robert Midgette, Ernestine Nance, Joyce Sapp, seniors; Catherine Bikel, Mary Scott Daniel, Jean Derry, Nancy Hobbs, Virginia Mowery, Dick Sommers, Myron Banks, Dora Ann Cooper, Fleise Fretz, Sammy Jean Johnson, David Robinson, juniors.

Mrs. Tora Ladu is the adviser of the chapter.

Glee Club

THE NEEDHAM BROUGHTON Glee Club, under the direction of Mrs. K. G. Hite, is composed of one hundred and twenty-five members. Participation in several of the assembly programs and P.T.A. meetings was one of the main contributions to school life.

An operetta "All at Sea" given on December 5th was a successful production. Christmas carols were sang in the halls on the last two days before Christmas vacation. In March the mixed chorus entered the State Music Contest Festival for high schools.

The highlight of the spring was in the form of a spring concert by the Glee Club given in May.

Many students in the music department sang in the Raleigh High Schools Glee Club under the direction of Frederick Stanley Smith. This group sang for various civic clubs and it also participated on several radio broadcasts.

Officers of the Broughton High School Glee Club were Mary Louise Himes, president; Susan Ives, vice president; Tyler Wadsworth, secretary; Charles Gaddy, treasurer; Jack Robinson, sergeant-at-arms; and Phyllis Kelly, reporter.

Hi-Times

The Hi-Times has just completed a very successful year. Under the editorship of Peggy Stewart and the management of Gordon Middleton the staff worked diligently to publish a paper which would be acceptable to the students and also deserve a number one rating by the Columbia Scholastic Press Association.

Others who should be commended for their untiring cooperation and work are Florence Fretz, managing editor; Mary Kennedy, feature editor; Charles Barham, sports editor; George Williams, advertising manager; Merritt Jones, circulation manager; and Miss Carolyn Ezell, adviser.

Every Thursday afternoon there is a regular staff meeting. At this time assignments are given out. Perky Portraits are elected, the paper is critized and improvements are suggested.

The *Hi-Times* is affiliated with the National Scholastic Press Association, the Quill and Scroll, and the Columbia Scholastic Press Association

Without the help of Mr. Barrow at Edwards and Broughton, where the paper is printed, putting out *The Hi-Times* would have been impossible. His valuable assistance with make-up, headlines, and all other phases of publishing a paper is priceless.

Second Year French Club

"LE CERCLE FRANCAIS" enables all students interested in France to appreciate and understand the French language. It also facilitates an opportunity to study some of the French and French people. The club strives to give its members practical experience in conversing French. Students study current events in relation to France and sing various French songs. Efforts are made to have French speakers. Officers are Gene Johnson, president; Mary Frances Gilbert, vice president; Joanne Liles, secretary; Polly Hendrix, treasurer, and Buddy Clements, sergeant-at-arms.

First Year French Club

THE LAST PORTION of the Friday French class is set aside for a meeting of our club, "Le Petit Cercle Francais." A business meeting is held in French. The main purpose of our club is to keep the members with France. There are programs selected that will be both interesting and helpful. Our members receive a "club pin" when they have earned ten or more points. These points are obtained by participating in class activities.

The officers of Miss Barber's French class are Jean Baker, president; Alice Wilson, vice president; Lent Meade, secretary; treasurer; and Lucy Lawrence, sergeant-at-arms. The officers of Mrs. Sanderson's class are Dora Ann Cooper, president; Virginia Mowers, vice president; Ann Hartrog, secretary; Barbara McJord, treasurer; and Ham Godwin, sergeant-at-arms.

THE SPANISH CLUB, *Los Amigos*, is composed of three first year and two second year sections which meet every two weeks during the regular class periods. Through its activities the club seeks to acquire an appreciation of the common heritage and ways of living of all Spanish speaking peoples and thus to promote good will toward our neighbors to the south.

During the year members of the club have corresponded with students in various Spanish speaking nations. Programs have included a number of talks on Latin American countries, guest speakers, short plays in Spanish, reports, games and contests to afford practice in using Spanish. The culmination of the year's activities was the club's presentation of its annual Pan American Day program in shape. The program, *Latin American Festa*, consisted of typical songs and dances learned in club meetings and showed costumes made by students during the year.

Many students this year earned the right to purchase and wear the Spanish Club pin. The club has a merit system by which students can earn points for various activities and projects completed during the year.

The club activities closed with a banquet in May.

Latin Club

THE LATIN CLUB was composed of four first year sections and four second year sections which met twice monthly during the class period

The purpose of the C.R.I. was to acquaint the student with Roman legends, dynasties, and various phases of Roman life.

The members took great pride in their library which has been built up from year to year to meet the needs of both ninth and tenth grade students. Those books best suited to the ninth grade were put in Mrs. Fletcher's Library; those for more advanced students, in Miss Strother's

Celia Middleton was appointed head librarian and she had several assistants. They operated on the same plan as the Broughton Library.

With its dictionaries, its reference books, its fiction, its myths and fables, Broughton now has one of the largest and best high school Latin libraries in the state.

Each library assistant follows a regular schedule, which includes checking books, shelving books, making and delivering notices, decorating the bulletin boards, and keeping the magazine room in order.

In October, the librarian and two student assistants Dot Johnson and Mary Ruth Yow attended the North Carolina Library Association in Winston-Salem. At this meeting the North Carolina Library Pupil Assistants Association was organized. Our club is affiliated with this new organization whose purposes are to promote closer relationships between the pupil assistants throughout the state and to help recruit future librarians. Dot Johnson is president of the North Central District.

The library staff entertained at a book week tea in the fall. The parents of the members of the Library Club, library assistants from Hugh Morson High School, officers of the PTA, faculty members, and other special guests were present.

Little Theater

Under the leadership of Miss Sparks, adviser, and Jackie Jernigan, president, the Broughton Little Theater has had a most successful year. The membership was composed of seventy-one juniors and seniors. The weekly club meetings were highlighted by skits, make-up demon stations, and by speakers from the Raleigh Little Theater.

During the fall the Little Theater and Music Department presented an operetta, *All at Sea*. For its annual spring production, the Little Theater presented *And Came The Spring*. Several one-act plays were presented in chapel by members of the Little Theater in the dramatics classes. Among these productions were *Bitter Wine* and *Call Me Milie*. The Little Theater also took part in the annual Spring Play Festival in Chapel Hill in April.

JEAN DENNY,
Historian.

Hi-Y

The Broughton Hi-Y for the year 1947-1948 has been an active one. The purpose of the club is to create, maintain and extend throughout the school and community the high standards of Christian character.

This year the club has been very successful in their undertakings. A clean-up campaign just before Christmas caused a bustle by all the classrooms and provided a neat school in which to study. At Thanksgiving tickets were sold for the Methodist Orchestrate vs. Darn High School football game. A march room project was very successful by helping to lessen confusion in the cafeteria. Some of the other activities that the club participated in were the printing of basketball programs, working with the grammar school playground teams, and giving supplies to a needy family for Christmas. In the spring the annual minstrel and dance were given.

The club meets every week at the YMCA and attends church as a group the fourth Sunday in every month.

Can you imagine putting out an annual without those last minute rushes that made life at Broughton so interesting?

Without the aid of John G. Gilmartin, that is, this remarkable LATIPAC would be fragmentary, illegible, impalpable, succinct, drastic, and paraphrastic!

Nominations and elections of "big wheels" took place in October and the work began headed by Susan Pickens editor-in-chief, and Doug Pruden, business manager. Mary Lu Driver was appointed advertising manager.

After the editorial and business staffs were chosen everyone "dug in" and did his best. Amid piles of paper clips, pictures, write-ups, senior characteristics, and senior statistics, we found the diligent workers in Miss Runyon's little room every Monday.

Mr. F. L. Johnson, who did a wonderful job with the photography, emerged from behind his little black curtain occasionally to encourage us to look "pretty." Then room 110 became an office for Broughtonites to obtain their pictures.

Everything admirable in this volume is due to the hard work and wise counsel of our advisers, Miss Laura Helen Pasehal, Miss Mary W. Barber, and Miss Hannah Savage.

Mr. J. H. Hardison from Edwards and Broughton Co. worked with us in order to produce the best possible yearbook.

Monogram Club

Under the leadership of President Bill Crocker, the Monogram Club took as its major projects the fostering of good sportsmanship and the building of a sound intramural program. During the football season members served as ushers at the games, and during basketball season members worked to promote good sportsmanship within the student body. As an aid to the intramural program, the club worked as officials of the contests.

Highlights of the year's activities were the club sponsored dance and the presentation of the cup to the "most outstanding senior athlete".

Athletes who earn varsity letters in track, football, baseball, or basketball are eligible for membership in the club, but they must be approved by the members before they are accepted.

GREENSBORO 20, RALEIGH 6

With two starters injured, Raleigh opened the season by playing a favored Greensboro eleven. During the first half the picture rating seemed wrong as the Caps held the larger Whirlies at a push. RALEIGH 0, DURHAM 0

Playing against a heavier Durham team the Caps were stymied most of the game and they failed to score, however, though the Bulldogs pushed Raleigh around most of the

time, the visitors also were unable to muster enough strength to push across a touchdown

RALEIGH 26, WILSON 7

Raleigh finally showed their strength by overpowering Wilson for their first win of the season. With Sonny Ussery showing the way, the Caps scored three touchdowns in the first half. The tallies came on a line buck by Sommers and on passes from Lesane to Lloyd and Ussery to Lesane. After half-time, Ussery made the final score from the three, climaxing a 100 yard drive.

PORTSMOUTH 28, RALEIGH 0

The following week Raleigh traveled to Portsmouth, Virginia, to battle Woodrow Wilson High School. This game was the first intersectional contest played by the Caps in several years. The Presidents, annually one of the strongest prep schools in the south, overpowered the Caps for Stane's worst loss of the season. Raleigh's only touchdown threat was broken up when Portsmouth intercepted Ussery's pass in the end zone.

RALEIGH 12, WILMINGTON 0

A surprised Wilmington team caught the Caps on the rebound after the loss to Portsmouth. All phases of Raleigh's game were improved and the statistics showed the winners' superiority. The Caps led in first downs, 12-5, and yards gained rushing, 189-82. Sommers' running and Ussery's kicking were the outstanding features, but the whole team displayed a smooth, well-rounded attack. Lesane and Sommers picked up the scores on short line plunges. Crocker, Shoemaker and Nicholson spearheaded Raleigh's line.

RALEIGH 6, GOLDSBORO 6

Expecting little trouble from the smaller Earthquakes, the Caps traveled to Goldsboro on the first of a victory. Raleigh was really surprised when the Goldsboro crew outplayed the Caps and scored first. A 30 yard pass from Lesane to Tyler Wadsworth late in the fourth quarter enabled the Raleigh team to come up with a tie.

RALEIGH 38, OXFORD ORPHANAGE 7

Raleigh's defense put the biggest stride of the year in capturing their third win of the season over a lackluster Oxford team. Ussery and Lloyd scored twice and Sommers and Louis Pack once in the runaway. Lesane sparked the winners and drew three touchdown passes.

FAYETTEVILLE 13, RALEIGH 12

16,500 people were present to see Johnny Gunton score two touchdowns in the last half, enabling Fayetteville to edge Raleigh in one of the most thrilling high school football games ever played in the city. On the second play of the game Sommers dashed through a hole in the line and kept going for 64 yards and a touchdown. Minutes later he returned a punt for 72 yards to the Bulldogs' 17. He then came over from the one four plays later. After intermission Fayetteville took charge but didn't score their final tally until two minutes from the end of the game. Sommers was the star for the Bulldogs and Crocker and Lloyd were standouts in the line.

RALEIGH 37, ROCKY MOUNT 12

The Caps had their best attack of the season until the last game when they clicked well to the air and on the ground to drub the Blackbirds decisively. Rocky Mount scored the first touchdown off a fumble in the first quarter but then Raleigh gang a fire. Lesare, Ussery, Lloyd and Bruce Olive played outstanding ball for the Caps.

Basketball

Broughton High, Raleigh's representative in the Class AA Eastern Conference, made a very creditable record in the 1948 season when the Caps won 15 while losing 6 in regular season competition. The team coached admirably by Joseph Holliday was a vastly improved one over last year's outfit which could only manage to win 8 out of 24 games. The team won 7 conference games while losing 3 a performance that netted the Caps fourth place in the spirited but contested Eastern race. The Caps did, however, come up with a win over Wilson the team that finally captured the laurels.

Broughton dropped the first game of the season to Winston-Salem 64-46. The next four and Gold hit a nine game winning streak that included a victory over Winston-Salem in a return engagement. During the streak the Broughton five showed a pre-possessive attitude in scoring 65 points against Henderson and 60 against Jamesville.

For the second straight year Coach Holliday brought the city championship up to Broughton when the Caps won from Hugo Morson 43-37 in a game well played, plenty of thrills at the Auditorium. Two victories over the Eastern Carolina Tech (US College) 54-27 trouncing over an intersectional foe, Ensley High of Birmingham; and two close losses to Durham were other highlights of the season.

In the first game of Class AA State Basketball Tournament Broughton beat the top seeded High Point in the first round. The Caps five now had to face the State Champion Bronx 50-41 but not before giving the western team a terrific fight in the first half.

The scoring honors were well divided with the starting five all placing above the 10 point mark. However, sophomore center Kim Buchanan was most outstanding, hitting the nets for 20.5 points. Co-captains Red Barham and T. W. Boles followed with 13.7 and 13.0 respectively. Gene Ferrell with 12.5 points and Bob Yancey with 10.6 rounded out the top five. One of the reasons for the successful season was the fact that Holliday had reserve strength at every position. Bobby Goss, tall 6-5 center, Dick Sommers, and William Teague were the ones that saw the most action.

Buchanan was the fourth high scorer in the Eastern Conference and won a first string position on the All City team. Barham likewise was on the first team of the All City squad and added to that a guard position also first string on the All Eastern Conference mythical team.

Also spelling a successful season was the JV team. Coached by N. A. Miller, the team won 16 tilts while dropping only two. Three sophomores, Kenneth Smith, Bob Williamson and G. M. Wooten, led the Broughton juniors.

First row: Manager Earl Rowland, co-captains Red Barham and T. W. Boles, manager Al Varner. Second row: Pat Caviness, Dick Sommers, Bob Yancey, Coach Holliday, Bob Wiggins, Mial Williamson. Third row: Gene Ferrell, William Teague, Kim Buchanan, Bobby Goss, John Duncan.

Now is the Hour

By MARY LOUISE HINES

Now we are leaving you friends,
We hope that it's not the end
Soon we will leave all of you
But we will think of you too.

Now is the hour
When we must say goodbye
Soon we'll be leaving
Dear "ole" Broughton High
Tears will be shed
For memories retained
Now we will bid farewell
But thoughts will remain.

All that is past
Will linger and will last
We will remember
Fun at Broughton High
Teachers and friends
Will look at us and sigh
Now we'll be leaving soon
We say goodbye.

“Weavers of Speech”

To you, who each day
Take on anew your tasks
Along the lines that speech will go
Through city streets or far out
Upon some mountainside
Where you have blazed a trail
And kept it clear;
To you there comes from all
Who use the wires
A tribute for a job well done.

For these are not just still
And idle strands
That stretch across a country
Vast and wide
But bearers
Of life's friendly words
And messages of high import
To people everywhere.

Not spectacular, your usual day,
Nor in the headlines
Except they be of fire, or storm,
Or flood.
Then a grateful nation
Knows the full measure of your skill
And worth.
And the fine spirit of service
Which puts truth and purpose
In this honored creed—
“The message must go through.”

READ
THIS . . .
before
you decide
on your
profession

DURING the next six years, half a million teaching positions will be available in the United States. Thousands of men and women are needed to replace inadequately prepared teachers now in the schools, to fill the vacancies caused by normal turnover, and to meet the needs of the five million additional children born during wartime. There is a need for elementary and high school teachers, college instructors, principals, superintendents, and educational specialists of every kind.

Now you know the law of supply and de-

mand. When your kind of training and ability are needed, offers for it are made more and more attractive.

That is what's happening in the teaching profession. Many communities are taking steps to improve their local school conditions; some are granting salary increases—some states are establishing definite minimum salaries for teachers.

The ability to teach is a special gift, a valued talent, and no profession provides greater personal satisfaction than teaching. If you are a "born teacher"—make your decision now to join this honored profession. For "Our Teachers Mold Our Nation's Future," and America's future has need of you.
